Student ID: 18098532-I011-0018

# Report

#PAGE 1

Html + Linked CSS + Linked JS

①

Implement function: Background insertion

Adopt technology: background+url

②

Implement function: Introduce the title

Adopt technology: color+text-align+margin-top

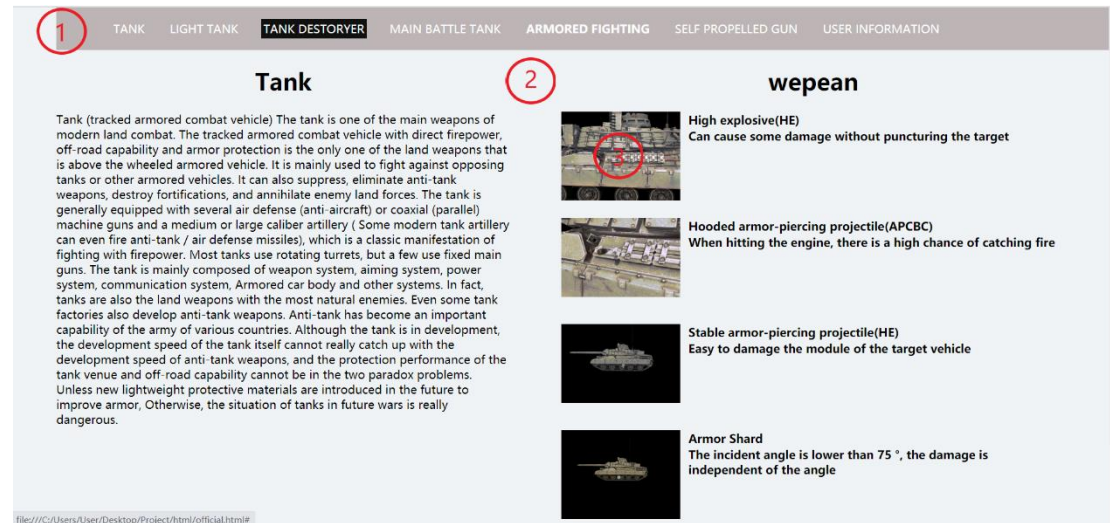

③

Implement function: Button and hyperlink

Adopt technology: <button>+color+background+cursor

## #PAGE 2

### Html + Linked CSS + Linked JS

①

Implement function: Navigation Bar

Adopt technology : `<center>+onclick()+height+width+background+position+margin-bottom`

②

Implement function: Background and page segmentation

Adopt technology: `import class+float+color+text-align+width+height+margin+padding`

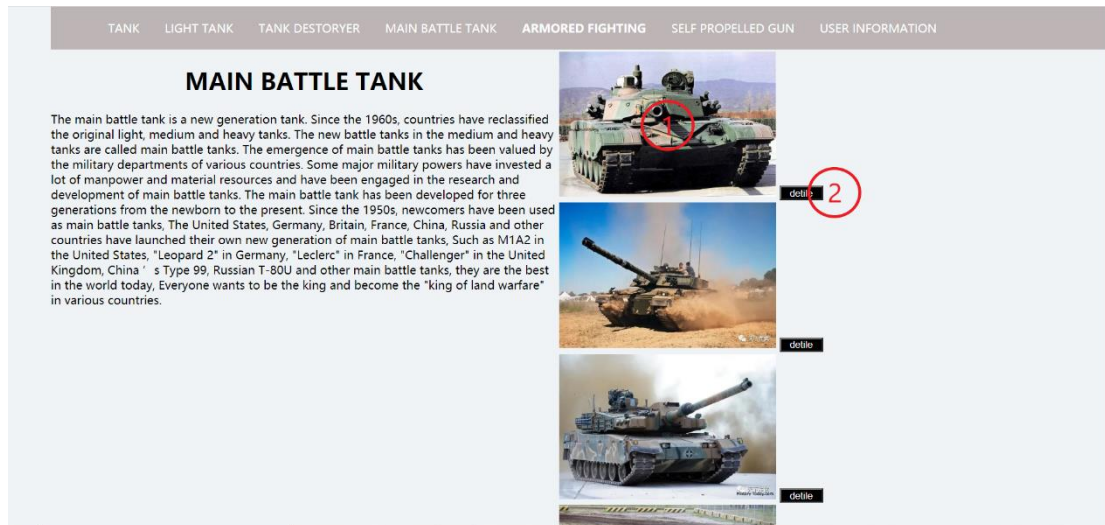

③

Implement function: Dynamic pictures and tables

Adopt technology: `<div>+import class++<table>`

#PAGE 3

## Html + Linked CSS + Linked JS

①

Implement function: Insert picture + hyperlink URL

Adopt technology: `` + `cursor`

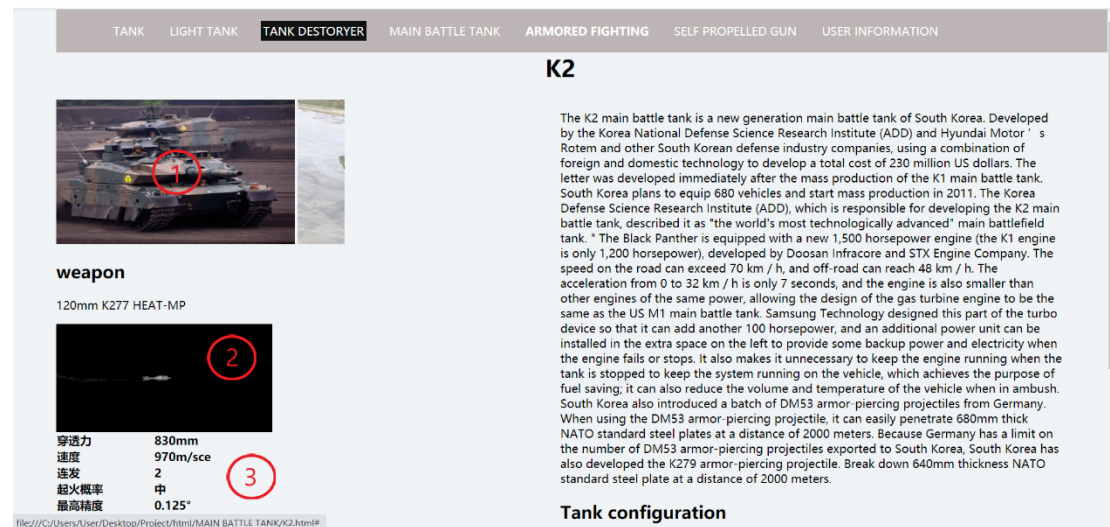

②

Implement function: Button + hyperlink page address

Adopt technology: `<table>` + `<button>` + `onclick()`

## #PAGE 4

### Html + Linked CSS + Linked JS+链接式 JS

①

Implement function: Picture automatically moves to the right

Adopt technology: `js setInterval()` + `align`+`border`+`<table>`+`<tr>`+`<td>`+``

②

Implement function: Insert MP4 video or .jpg file

Adopt technology: `<mp4>`+``

③

Implement function: Table insertion and writing

Adopt technology: `<table>`+`<tr>`+`<td>`

## #PAGE 5

### Html + Linked CSS + Linked JS

① Tank Management System

② Log In

③ userName

password

④ LOG IN

⑤ ↓

①

Implement function: Head color and text selection and insertion

Adopt technology : height+width+background-repeat+background-position+text-align+background-color

②

Implement function: Write text at the specified location

Adopt technology: display+font-size+margin-top+width

③

Implement function: Get user input

Adopt technology: <input>+ width+ margin-top + margin-right + margin-bottom + margin-left

④

Implement function: Insert background and button + hyperlink

Adopt technology: <button>+ background-color +<a href="url">+ font-family+ top+ left+ transform+ height+ width

⑤

Implement function: Color design and text insertion at the bottom

Adopt technology: font-family+ color+ position+ top+ left+ transform+ height+ width+ text-align
